Stand Up! is the generation-defining book that focuses on the global youth movement like never before. This anthology features stories by 75 of the world's most dynamic young activists who share their amazing experiences and challenge readers through spirited calls to action. Today, by way of their grassroots movements and international work, these young men and women are bringing their own brand of savvy compassion and unstoppable courage to the crossroads of social entrepreneurship and activism.

A few of the 35+ endorsements for *Stand Up!*

“The courage, compassion and vision of the young people featured in *Stand Up!* should inspire everyone, regardless of age, to champion for a world of equality, respect and inclusion for all.”

~ Timothy P. Shriver, Ph.D., chairman and CEO of Special Olympics

“Young activists today are not only lighting up the four corners of the globe with their humanitarian work and public service, now in *Stand Up!* they inspire, challenge and show other young people that changing the world begins with each one of us taking a step forward!”

~ Tavis Smiley, broadcaster, author and philanthropist

“When I was a kid, I was playing video games. The young people in *Stand Up!* are saving lives and the planet! I saved lives, too, but they were mostly from aliens and dragons. Still, I think we both did some important work.”

~ Joel Stein, humorist, author and columnist for *TIME* magazine
