Series information, also found on back cover

Not Your Mother's Book (NYMB) is a new anthology for a new century. Series creators Dahlynn and Ken McKowen spent 10 years developing titles for the world's bestselling anthology series [*Chicken Soup for the Soul*] prior to launching NYMB. But their series is very different; NYMB books are contemporary, fun and even daring! No sad, sappy or death and dying stories—EVER!

Not Your Mother's Book . . . On Travel is the fourth book in the series. There are more than 30 new and funny NYMB titles under development and all need stories from YOU! Submission guidelines can be found at www.PublishingSyndicate.com. Get published!
